Technology Use Agreement

As a student at SSKids Academy, I agree to the following rules and code of ethics:

1. I acknowledge that the purpose of school computers and electronic information services are for teaching and learning. I understand that the school owns the computers and that any information I place on the computer is subject to review by the school at any time without notice to me. I will not use technology resources for non-academic purposes.

_____ Initial

2. I acknowledge that the software is protected by copyright laws; therefore, I will not make unauthorized copies of software and will not give, lend, or sell copies of software to others.

_____ Initial

3. I will not bring software applications, including games, from home to be used on school equipment without prior approval of appropriate school personnel.

_____ Initial

4. I acknowledge that the work of others is valuable; therefore, I will protect the privacy of others by not trying to learn their password; I will not copy, change, read, or use files from another user without prior permission from that user; I will not be a party to any electronic plagiarism; I will not attempt to gain unauthorized access to system programs or technology equipment; I will not use technology systems at school or elsewhere to disturb, harass, or cyberbully other users or use inappropriate language in any communications.

_____ Initial

5. I will follow my school's procedures for information storage and understand that any information may be deleted from the systems at any time.

_____ Initial

8. Parents/guardians and students must realize that students may encounter material on a network/bulletin board that the school does not consider appropriate (vulgar jokes, statements of belief that some might consider immoral, etc.). Although filtering software may be in place, there is no guarantee that all controversial material will be blocked. It is the student's responsibility not to pursue material that the school may consider offensive.

_____ Initial

9. The use of school technology is a privilege, not a right. Vandalism or intentional modification of system settings is prohibited. The undersigned below assumes financial responsibility for any damage caused by the student. The system administrators may close an account at any time.

Violations of the rules and code of ethics described above will be dealt with seriously, including loss of technology privileges and/or disciplinary action.

_____ Initial

Technology Use Agreement Overview:

- The device and related accessories are property of SSKids Academy and are governed by the Technology Use Agreement and school policies.
- The device must be used only by the student for school use.
- Students must take reasonable precautions for the care and safe keeping of the device while in use. SSKids Academy is not responsible for damage to the device that occurs because of negligence. Student/parent can be fined up to \$500 for damages.
- The student will maintain, preserve, and keep the device in good working order and condition.
- The school is not responsible for supporting network connections off campus.
- The device must be returned to the school in the condition it was initially provided to the student considering reasonable use and care.
